

# May 2023

If you are unable to make it on your assigned day, please contact another volunteer for coverage. It is imperative for the safety of the children that we have sufficient supervision on the playground. Thank

*Dear Parents,*

*As we anticipate the month of May, I would like to share with you that we will be opening our playground for after-school use starting next week. We will need to assign days by age group so that the gatherings don't get too large. The playground will be open until 4:00 each day.*

*The schedule will be as follows:*

*Monday - 3 year olds*

*Tuesday - 4 year olds*

*Wednesday - Kindergarten*

*Thursday - Elementary*

*The children will need to follow the same rules that we use during the school day which are:*

*1) Nursery and Pre-K children may only use the smaller play equipment. The children will try to persuade you otherwise, but please make sure you enforce this rule for everyone's safety.*

*2) The children may only go DOWN slides.*

*3) If you have any trash, please take it with you when you go. I have seen the playground at Shelter Rock after sporting events and garbage is left everywhere. We will have to close the playground if that happens here.*

*4) If your child takes anything out of the shed, it needs to go back in the shed at the end of the play period. Please do not leave balls or any other play equipment out when you are finished. Please be sure that the shed is closed when the last person leaves.*

*5) The school will be locked, and bathrooms will not be accessible. If you are planning to stay, please be sure to remind your child(ren) to use the bathroom before they leave school.*

*6) You are responsible for your child's safety. It is good to socialize with the other parents, but please make sure you are keeping an eye on your child.*

*7) Siblings are allowed to come on either sibling's day.*

*If we all work together, we can make this a fun experience for the children. Thank you in advance for your cooperation.*
