OUR LADY OF GRACE
MONTESSORI SCHOOL & CENTER

November 26, 2018

Dear Parents,

Starting the month of December, the nurse's office will be performing vision and hearing screenings for those students in Pre-K, Kindergarten, First and Third grades. The New York State Department of Health recommends that these grades receive hearing, near vision and distance acuity screenings. If you do not want your child to participate, kindly call the nurse's office at 516-365-9832 or send in a note. Thank you for your cooperation.

Sincerely,

Nancy Albanese, RN

November 1, 2018

Dear OLG Community:

I cannot begin to express the gratitude I feel towards the teachers, staff, parents and family of the students at Our Lady of Grace. When I was told of Sister Kelly's idea to raise money for my son Logan and I, I was stunned. I could not believe that a group of people of who barely know us would be interested in helping us through such a difficult time. After the Walk-a-Thon, I was shocked again when I saw how much had actually been raised.

I realize, however, that this act of kindness isn't just about myself and my son, but about my sister Miss Jennifer. She has been a teacher at Our Lady of Grace for almost two decades and has loved every minute of it. Through her stories, my husband and I learned what a wonderful environment it is and hoped someday to send our son there. Your generosity has confirmed our thoughts and shown my sister what a valued member of the community she is.

Lastly, I want you to know that the money raised has eased the burden of my husband's final medical bills. With the help of the OLG community and my family (especially my sister) Logan and I can more easily start the next chapter of our lives.

Sincerely,

AnnMarie & Logan Ballew
