January 2023

Dear Parents,

Enclosed is the 2023/24 Re-application form for your child. In order to hold a place for your child in September we ask that you send in a first payment of your tuition in the amount of \$1,000 by January 31, 2023. This payment will be non-refundable after April 1, 2023.

As your child begins the Pre-K program (4 years old by November 30<sup>th</sup>) we offer several options. Please indicate on the re-application form if you are interested in the 5 half-days program, the 3 full days/2 half days program, or the 5 full days program.

The Kindergarten Program is a full day session. This is the time in which the skills “come together” and the children internalize the concepts which have been presented during the first years of the program. This is the crucial year in that the children attain a great deal of self-confidence in being the oldest children in the 3-6 program. The curriculum is much broader than any of you will find in another school as children continue to thrive within the hands-on learning environment.

If your child will not be returning in the fall, please call me immediately.

Sincerely,  
*Sister Kelly Quinn*

Dear Parents,

Attached you will find the tuition approved by the Board of Trustees of Our Lady of Grace Montessori School and Center for the upcoming 2023-24 school year.

The generous giving of our parents, alumni parents and other benefactors continues to be an important component of OLG's budget. The Board of Trustees would like to thank all those that have contributed over the past year, whether it be time and energy or donations or both. OLG relies on these donations in order to be able to provide a high-quality private school education at an accessible cost. **Tuition could not be maintained at current levels without the continued support of our donors.** The fundraising events sponsored by the IHM League are a crucial part of our operating budget, so your support is very much appreciated.

Sincerely,  
*Sister Kelly Quinn, IHM*
