

OUR LADY OF GRACE
MONTESSORI SCHOOL & CENTER

Dear Parents,

The Observation Request forms are enclosed. This opportunity that you have to come to school and observe your child is invaluable. We recommend that you observe your child several times during the year. The teachers will honor your requests for dates whenever possible. Please check your calendar prior to scheduling your observation. If the date you have requested is not available, the teachers will assign you an alternate date. These slips must be used when you wish to observe.

When you come to observe your child in his/her environment, **please do not bring a recording device of any kind to the observation room.** The purpose of the observation is to see your child in the environment and to observe his/her concentration and work. We must respect each family's right to privacy. Siblings and/or babies **are not** allowed in the observation rooms. Space is limited in these rooms; therefore we need to limit it to **parents**. **Please do not tell your child that you will be coming to observe.** This is an opportunity for you to observe your child as he/she naturally works and it could be disruptive if they know you are here. Observation is for the entire session. Thank you for your cooperation.

There are no observation rooms in the Kindergarten or the Full Four classrooms. If you are the parent of a Kindergarten or Full Four student you will continue to observe in your child's "wing" downstairs.

We are offering observation on Thursday, November 2nd and Thursday, November 9th due to a school closure on the 1st and the Silver Tea on the 8th.

Please note that going forward observation will take place on WEDNESDAYS beginning November 15th through November 29th and then again from January 3rd through April 11th. There will be no observation scheduled during the month of December as the children will be practicing for their Christmas shows.

Sincerely,

Sister Kelly Quinn

Our Lady of Grace Montessori School

Dear Parents,

Our school is participating in the Stop & Shop A+ School Rewards Program, a great school fundraising program that runs from October 6, 2017 through March 15, 2018. This is an easy way for you to help our school earn CASH each time family members and friends shop at any Stop & Shop Store. Please help our school and register your Stop & Shop Card to our **SCHOOL ID# 14993**.

Here's How You Can Help Beginning September 11, 2017:

- Visit www.stopandshop.com and select **Savings & Rewards**. Follow the prompts to create your online account. You'll need your 13-digit Stop & Shop Card number and the School ID #.

IF YOU DON'T KNOW YOUR STOP & SHOP CARD NUMBER CALL 1-877-366-2668 OPTION #1

REMEMBER...if you supported our school last year, you DO NOT need to register your card again!

To earn points:

- Use your Stop & Shop Card each time you shop at Stop & Shop and you will earn CASH for my school. You can track the number of points you are earning for our school by checking your grocery receipt starting October 6, 2017 through March 15, 2018.
- At the end of each month, your points are calculated and converted to CASH rewards. These CASH rewards for our school are updated monthly. You can track our progress when you sign in to your online account.
- My school will receive one CASH awards check at the end of the program and can use this cash for any of its educational needs.

Our school needs your support! Please take a moment to register your Stop & Shop Card today! And don't forget to tell your friends and neighbors to do the same. It could mean the world to our school.

Thank you!

Sincerely,
