SIGN UP TO VOLUNTEER AT UPCOMING OLG EVENTS

This school year OLG has a calendar packed with fun events for our children and parents! These events are important for our community and are part of what makes our school so special. Each event is made possible through the hard work and dedication of **volunteers** serving in various capacities. As a reminder, this year OLG will be implementing a **volunteer requirement** for each family consisting of **5 hours** or a \$200 fee.

WHY VOLUNTEER?

Lead by example! Educational research has concluded that when parents are involved at school, students directly benefit in many ways with:

- Higher grades, test scores and graduation rates.
- Better attendance and behavior in school.
- Increased motivation/self-esteem and interest in school.

OTHER BENEFITS FROM VOLUNTEERING:

- Parents become more in tune to the needs of the school and students.
- Communication between school and family increases significantly.
- Events run more efficiently with increased volunteerism/parent help.
- Great way to meet other parents within the school community.

HOW TO GET INVOLVED:

Simply fill out the provided **Volunteer Sign Up Sheet** and return it back to the school by **Friday, September 28th**. The committee chairs of your event will contact you and they will give you information on how to help!

Remember...volunteering isn't just for Mom!

There are plenty of ways Dads and other family members can help out too! Look out for more information throughout the school year on how to help.

THESE EVENTS CAN'T HAPPEN WITHOUT YOUR HELP! PLEASE SIGN UP TODAY!
