
OUR LADY OF GRACE
MONTESSORI SCHOOL & CENTER

February 5, 2020

Dear Parents,

Attached you will find the tuition approved by the Board of Trustees of Our Lady of Grace Montessori School and Center for the upcoming 2020 - 2021 school year. I am pleased to report that OLG has been able to maintain its tuition with only a modest increase from last year. The increase this year, which averages approximately 5%, is necessitated by higher operating costs including such notable items as healthcare benefits and cost of living increases for our teachers.

The generous giving of our parents, alumni parents and other benefactors continues to be an important component of OLG's budget. The Board of Trustees would like to thank all those that have contributed over the past year, whether it be time and energy or donations or both. OLG relies on these donations in order to be able to provide a high-quality private school education at an accessible cost. **Tuition could not be maintained at current levels without the continued support of our donors.** The fundraising events sponsored by the IHM League are a crucial part of our operating budget, so your support is very much appreciated.

On a similar note please remember to participate in the upcoming OLG Madness event which is an important fundraiser for our school.

Sincerely,
Sister Kelly Quinn
