Important Drop-Off and Pick-Up Rules

It is imperative that our children remain safe on our property and that everyone abide by the rules to make sure this happens. In the last week parents have been walking up to the door to pick up their child/children at dismissal time. In order to do this, parents need to drive onto the property and pass the traffic that very often is already moving. This needs to stop. If you are going to be picking up your child early you need to call ahead to get permission first and you need to come before the line starts moving. As everyone knows it is very dangerous and disconcerting when someone is driving towards you and you have nowhere to go ~ especially when there are young children in your car. I realize that we have a very long line, but we do everything we can to keep it moving. It will get faster as we learn the cars, but until then please be patient and safe. Thank you in advance for your cooperation. Remember it is for the safety of your children!

Dear Parents,

I would like to take the opportunity to introduce myself – my name is Maria Quinn and I am the President of the Immaculate Heart of Mary league and mother of two Our Lady of Grace students. This year Christina Potter will join me as Co-President of the league. Christina has one child at Our Lady of Grace.

This is a very exciting year for us at OLG as we will be celebrating our 50th year! This important milestone for our school gives us the opportunity to celebrate our founding, reflect on our success, embrace this sense of community we've nurtured over five decades, and imagine our prospects in the next 50 years!

As we all get settled into a new and exciting school year, we also begin to look forward to the first of many OLG events. On Saturday, September 16th we will have our first Family Mass at 3 p.m. followed by a family barbeque at 4 p.m. on the OLG grounds.

I would like to thank everyone who helped make our 2016/2017 events a success. We have a calendar full of fun events for our children and parents this school year. I ask that you all please take a few moments to fill out the volunteer sheet that follows. Please return this form to the school office to my attention no later than September 18th. These events are important for our OLG community and they are part of what makes our school unique. Each event is made possible through the hard work and dedication of volunteers serving in various capacities. Any amount of time and effort you can contribute is appreciated, and there is something for everyone.

I volunteered for the first time eight years ago, helping out with the Pumpkin Patch bake sale. Teaming up with other parents, as well as faculty and staff on events is a great experience for you and will greatly benefit our children's school.

Please feel free to contact me at mariag828@yahoo.com or Christina at christinapotter9@gmail.com with any questions related to any of the events.

Thank you and have a wonderful year at Our Lady of Grace.

Sincerely,

Maria Quinn
