

OUR LADY OF GRACE
MONTESSORI SCHOOL & CENTER

February 2024

Dear Parents,

Enclosed is the 2024-25 Re-application form for your child. In order to hold a place for your child in September we ask that you send in a first payment of your tuition in the amount of \$1,000 by February 16, 2024. This is a non-refundable tuition installment.

For Pre-K students, please indicate on the re-application form if you are interested in the 3 full days/2 half days program, or the 5 full days program.

The Kindergarten Program is a full day session. This is the time in which the skills “come together” and the children internalize the concepts which have been presented during the first years of the program. This is the crucial year in that the children attain a great deal of self-confidence in being the oldest children in the 3-6 program. The curriculum is much broader than any of you will find in another school as children continue to thrive within the hands-on learning environment.

If your child will not be returning in the fall, please call me immediately.

Sincerely,
Sister Kelly Quinn
